# CLEVELAND BRIDGE HEALTH & SAFETY POLICY STATEMENT

It is Cleveland Bridge UK Limited policy to ensure the health, safety and welfare at work of our employees and other persons who may be affected by our operations.

Adequate resources will be provided to ensure a safe and effective performance, health and safety will not be compromised for other objectives.

## CBUK HEALTH & SAFETY POLICY OBJECTIVES ARE: -

- To ensure compliance with the requirements of all relevant statutory legislation, Approved Codes of Practice, Network Rail Standards and to adopt safe systems of work.
- To set targets, to monitor and to apply 'best practice', to strive continually to improve our health and safety performance.
- To provide and maintain for all employees, adequate and suitable health and welfare facilities.
- To identify hazards and associated risks and the application of suitable precautionary and control measures.
- To ensure that work activities carried out by the organisation do not have adverse effects on employees, visitors or members of the public.
- To ensure all work activities carried out by the organisation do not cause damage to property.
- To provide and maintain safe plant and equipment.

The effectiveness of the policy depends on the cooperation and active support of all employees. Therefore, roles and responsibilities are detailed in the SHEQ Manual, with additional responsibilities detailed in the Network Rail procedure for work on Network Rail projects and its infrastructure. Provision is made for employees and their representatives to be consulted on matters which affect their health and safety at work and in connection with any responsibility or duty which may be assigned to them for the purpose of implementing this policy. Training, information, instruction and supervision will be provided to ensure activities are carried out safely and efficiently. An open and honest approach is seen as critical to maintain and improve the health and safety performance and as such an open-door policy applies. The Policy together with the Company SHEQ Manual, Network Rail procedure and Register of Legislation and Codes of Practice will be reviewed annually and, where necessary amended to consider new legislation and Codes of Practice. Such amendments or changes thereto may only be authorised by the Managing Director. This Policy is applicable wherever Cleveland Bridge Limited carries out its operations.
